## Rules & Regulations for Exhibiting

The Novi Boat Show ("Show") are owned and produced by  
Michigan Boating Industries Association ("MBIA")

8625 Richardson Rd., Commerce Twp., MI 48390; Phone: 734.261.0123; 800.932.2628; Fax: 734.261.0880

Web site: [www.mbia.org](http://www.mbia.org); E-mail: [boatmichigan@mbia.org](mailto:boatmichigan@mbia.org)

**1. PERMISSIBLE EXHIBITS:** Only products and services identified on the Application & Contract for Exhibit Space and approved by the Michigan Boating Industries Association ("MBIA") are authorized to be displayed at the Novi Boat Show ("Show"). Exhibitors shall display only new, untitled 2020, 2019, 2018 and no more than 10 percent of 2017 model year boats and vessels. Exhibitor shall provide the MBIA with Manufacturer Statement of Origin or other substantial proof of said model years at MBIA's request. All displayed product shall be exhibited by current manufacturer-authorized dealers, authorized to sell 2020 models of that manufacturer. Exhibitors who violate the rule on permissible exhibits are subject to a fine and the cost of removal of these products. Any used, previously registered or 2016 or prior year products discovered in the Exhibit Hall, not in accordance with the terms of the Application & Contract for Exhibit Space, may be removed at Exhibitor's expense and, since the parties recognize that it is practically impossible to determine the actual damage that would result if Exhibitor breaches this provision, Exhibitor agrees to pay to MBIA the sum of U. S. \$1,000 for each violation as liquidated damages. The ratio of new to new/non-current boats displayed may change at the sole discretion of MBIA.

**2. PERMISSIBLE ACTIVITIES:** Each Exhibitor recognizes that the Show is an opportunity to showcase products and promote the industry, as well as an opportunity to sell products. Exhibitors shall be respectful of other Exhibitors' display areas and products. Exhibitors are prohibited from soliciting business in the aisles, other public spaces, or in another Exhibitor's Exhibit Space. We request Exhibitors also refrain from entering other exhibits, taking pictures of competitive products, using competitor exhibits for employee orientations or training during the Show, or otherwise causing any disruptions during the Show. In order to grow our industry, Exhibitors must work together to maintain the highest standards of excellence and professionalism not just with the consumer, but also with other Exhibitors.

**3. PRODUCTS TO BE EXHIBITED:** Exhibitor shall specifically identify all products to be displayed in the space provided on the face of the Application & Contract for Exhibit Space. Any products not so listed or submitted to the MBIA for written approval at least thirty (30) days prior to the opening date of the Show, may be removed from the Show at Exhibitor's expense. A limited number of new sport utility vehicles, cars and sport trucks may be part of an exhibit, provided there is prior written approval from the MBIA 30 days in advance of the Show, which approval shall be at the sole and absolute discretion of the MBIA. Except as provided herein, all vehicles, trucks and automobiles are prohibited from display or exhibit. MBIA sponsorship packages may include exclusivity agreements which will prohibit exhibits displaying products or services, including but not limited to sport utility vehicles, cars or sport trucks, other than those produced or marketed by the sponsoring organization. Products not actually exhibited within the Show shall not be represented by models, photographs, or any other means of graphic representation except that color photographic displays of Exhibitor owned used boats will be allowed to a maximum size of two (2) feet by four (4) feet easel-type. In the event that a product is not physically displayed at the Show by another Exhibitor, Exhibitor, if authorized to sell that product, may utilize signage indicating that Exhibitor is an authorized dealer for that product. The MBIA may, at any time, require Exhibitor to produce written evidence satisfactory to the MBIA that Exhibitor has the authority to sell all products to be exhibited. All products for which Exhibitor fails to provide such satisfactory written evidence upon request are prohibited from display or exhibit and shall be removed from the Show at Exhibitor's sole expense.

**4. CONSTRUCTION OF EXHIBITS:**

- a. Maximum back wall height permitted for any booth exhibit shall be eight (8) feet high plus a maximum of two (2) feet for signs; however, if a booth exhibit is positioned whereby the back wall of the booth serves as a side wall to another booth exhibit, the height can not exceed three (3) feet without approval in writing from the MBIA at least thirty (30) days in advance of the Show.
- b. Exhibitors shall be required to finish and decorate both sides of party walls of a booth exhibit in cases where neighboring Exhibitors have an open display. The MBIA shall have the right to finish and/or decorate any unfinished partitions, walls, cradles, trailers or backs of signs which are visible to the public and to charge for the cost of said work to the Exhibitor.
- c. No constructed walls enclosed within a bulk space may exceed three (3) feet in height unless plans therefore have been approved in writing by the MBIA at least thirty (30) days in advance of the date of the Show opening.
- d. Exhibitor shall not drive nails, hooks, tacks, screws or other devices into any part of the facility or affix matter thereto by paste, tape or adhesive or alter the facility in any respect. No damage of any nature whatsoever shall be done to the booth structures or to any part of the Exhibit Hall, and the Exhibitor shall be held fully responsible in the event that said damage does occur from whatever cause.
- e. Crepe paper, bunting, tissue paper or corrugated paper shall not be used as background, decoration or trim in any exhibit.
- f. No constructed walls may be erected in bulk floor spaces to separate adjoining Exhibitors unless plans therefore have been approved in writing by the MBIA at least thirty (30) days in advance of the date of the Show opening.
- g. Construction of a raised deck over all or a portion of the Exhibitor's exhibit space must have the written approval of the MBIA 60 days in advance of the move-in of the Show. Plans must be designed and certified for such use by a qualified licensed engineer (certification shall be supplied to MBIA upon request) and approved by Suburban Collection Showplace management after being authorized by MBIA. An additional exhibit space fee determined by the MBIA may be applicable for raised decks.
- h. Maximum side wall height for booths shall be three (3) feet for a minimum distance of six (6) feet from the front corner, unless plans therefore have been approved in writing by the MBIA at least thirty (30) days in advance of the date of the Show opening.
- i. The use of office trailers is discouraged; however, Exhibitors wishing to use office trailers must exhibit trailers in a space located on the perimeter walls of the Show, and be subject to review and approval by the MBIA. Exhibitor and/or Manufacturer semi-trailer/truck displays also will be authorized only on the perimeter walls of the exhibition hall.
- j. Exhibitor is responsible for assuring all walkways and docks are structurally sound, safe, accessible and secure, including providing handrails on all stairs. The Novi Fire Marshall and Novi Building Inspectors may close an exhibit if determined unsafe for the public
- k. Exhibitors are responsible within the boundaries of their exhibit to adhere to the Americans with Disabilities Act (ADA).

**5. BOAT DISPLAYS:** To insure a timely move-in and out, the Show encourages exhibitors to displayed boats on boat trailers, unless easily unloaded by Exhibitor's mobile hydraulic lift equipment. Limited lifting equipment will be available within the hall by the Show's decorator, and must be contracted and paid for directly by the Exhibitor. No lifting service is provided by the Novi Boat Show.

**6. BOATS AND BOAT TRAILERS:** Boats and trailer tongues and wheels are not permitted to extend beyond the boundaries of the Exhibitor's rented space. Exhibitors found with boats or trailers beyond the borders of their booth are subject to removal of that boat and/or a fine of up to \$1,000 per occurrence. In addition to this being a violation of space contracted for, it is also a safety hazard. The Exhibitor agrees to decoratively identify and cover all tripping and overhead obstacles such as sternhead fittings and stern drop anchors, trailer tongue stands, loose wheels and hubs, to the satisfaction of the MBIA with drapery, paint, foil, or other decoration acceptable to the MBIA. Milk crates, concrete blocks or other construction materials are prohibited unless so decorated.

#### **7. FIRE PREVENTION:**

- a. All materials utilized in connection with an Exhibitor's exhibit or display area must be treated with a flame retardant and be made fireproof prior to the date of the opening of the Show.
- b. All boats, vehicles, and equipment exhibited in the Exhibit Hall shall have all fuel removed and batteries disconnected and taped prior to entry into the Exhibit Hall. Special display or demonstrator vessels and vehicles must be void of all fuel with tanks sealed with a locking type gasoline cap and purged.
- c. Smoking is prohibited in the facility at all times.
- d. Fire fighting and emergency equipment shall not be blocked or obstructed under any circumstances.
- e. Liquid propane tanks or any flammable materials are prohibited.
- f. No materials, shrink wrap, or boat covers of any kind can be stored underneath docks per the Novi Fire Marshall.

#### **8. SIGNS: NO SIGNS OF ANY TYPE WILL BE HUNG FROM SUPPORT PILINGS OR PERIMETER WALLS:**

All signs must be made of inflammable materials and are subject to the written approval of the MBIA prior to move-in. (Note sign limitations specified within these Rules and Regulations.) Signs that, because of the inferior quality of material or workmanship, are deemed by the MBIA to detract from the dignity of the Show or signs that block the perimeter of the Show and Suburban Collection Showplace signs and graphics shall be prohibited in the sole discretion of the MBIA.

**a. Hanging/Banner Signs:** Exhibitors may have banners and metal, plastic, etc. signs hung from the ceiling by the Show contractor in accordance with Suburban Collection Showplace guidelines within the perimeter of the exhibit space, and the cost to install and

remove these signs are the full responsibility of the Exhibitor. Hanging signs/banners are only allowed over bulk space exhibits, must remain within the space boundaries, and may not contain or allude to discounts or prices. Hanging signs/banners cannot exceed 10'0" in height and 2,000 lbs. in weight. Exhibitors are required to oversee the hanging of signs by contractor. There can be no double hung (one banner above the other) banners unless you are against the wall. Interior banners must be double sided and cannot block the perimeter of the show.

**b. Pricing Signs:** MBIA has no interest in the prices at which the exhibitors are willing to sell their products but is interested in maintaining a high standard in displays and presentations. To ensure the maintenance of this standard, it is suggested that an exhibitor display only one (1) Official Boat Show price per item.

Signs should meet the following requirements:

i) Pricing signs may not exceed the maximum size of 18" x 23".

ii) Price decals and price stickers on boats are not allowed.

ii) All price signs displayed on boats or equipment must be quoted F.O.B. Metro Detroit.

iii) Reduction from the retail price will be permitted as a "Boat Show Special"; however, a quoted F.O.B. Metro Detroit price must be shown if a "Boat Show Special" price is listed.

**c. Easel-type signs** shall not exceed two (2) feet by four (4) feet.

d. No decorations or signs shall be placed or attached on building walls and ceilings by nails, tacks, screws, wire or adhesive tape without approval by MBIA and Suburban Collection Showplace. No Exhibitor may pin, staple, or otherwise affix signs, photographs, display materials or any other type of advertisement or material whatsoever to pipe and drape supplied by the MBIA. Any damages incurred as a result of violating this provision shall be charged to the Exhibitor.

e. A manufacturer's illuminated logo or product identification sign may be utilized in an exhibit.

f. Signage must be professionally and securely built and hung from the ceiling and/or floor mounted on stands or stanchions and secured in such a way to prevent said signs from falling and tipping over. If electrical, sign must conform to electrical codes required by Suburban Collection Showplace.

g. No signs of any type whatsoever shall exceed eight (8) feet in height from the floor of the Exhibit Hall, unless specially approved by the MBIA. Feather banner s may be higher than 8 feet, but no wider than 3 feet.

h. Stickers and decals are prohibited everywhere in Suburban Collection Showplace; Stickers and decals showing company name and brand information are allowed on boats located on the show floor; Price decals and price stickers on boats are not allowed. Suburban Collection Showplace must approve use of helium balloons.

- \* Consumers pay to see an entire show. Those exhibitors who are discovered dismantling their display prior to 5:00pm Sunday may face the loss of their next year's space reservation.
- \* **The parking lot must be completely empty by 4:30 PM Monday, March 16, 2020.** Anything which still remains, for whatever reason, will be removed at the owner's expense and the MBIA, Suburban Collection Showplace and other related organizations are not responsible for exhibitor's property. Please help Suburban Collection Showplace and have your display and boats out of the exhibit hall on time.
- \* **No shrink wrapping** will be allowed in the exhibit hall due to fire prevention considerations and move-out delays.

Other important information regarding move-out:

- All doors will be open for move-out starting at 5:00pm – We must be finished by midnight.
- Art Craft Service desk will be set up by 4pm to take forklift orders – get your name on the list.
- Parking attendant is pulled at 4pm so no parking passes needed for those coming to pick up boats.

- There is no move-out order, but for obvious reasons we want people in the back of the hall to move-out quickly. Those in the front of the hall should breakdown but wait until there is clear path to exit. We do not want to jam up the aisles.
- Absolutely nothing can go out the front doors of the Suburban Collection Showplace.
- MBIA's crew: Brian Starrs and Bethany Sly will coordinate the move-out starting at 5pm and assisting Art Craft staff to help where needed. They will be on blue carts.
- You may return as early as 7am Monday morning to pick up boats left overnight.
- Please do not break down prior to 5pm. Consumers (your customers) have paid to see the show and they are entitled to experience the event in its entirety and with full attention from exhibitors.

As always, we thank you for exhibiting and for your help making this a smooth move-out process.

- Your MBIA Staff
